"The key to a successful marriage is not finding the right person. The key to a successful marriage is doing the right things. If you do the right things you'll succeed... if you don't you'll fail. It's just that simple."

Mark Gungor

The "Laugh Your Way to a Better Marriage" is a series of DVDs that will be presented over six Sunday evenings, with a plan for small group interaction to follow each DVD presentation. Gungor states that while many of the points and stories he shares are, well, funny, this series is a very serious approach to provide helpful information that will empower you to succeed in married life.
