

WHAT TO DO NEXT

Watch this [1 minute video](#) showing how easy this is!

To get started: you can either go online to <https://mycvbc.churchcenter.com/> **OR** you can add the **Church Center App** to your phone:

Android click [here](#). **iPhone** click [here](#).

You will have to search for Chippewa Valley Bible Church and click on our logo.

Click on GIVE and follow the steps.

A few things to note:

You can give using your checking/saving account, debit card or credit card.

We are charged additional fees when debit or credit cards are used. Using your checking/savings account will save CVBC having to pay the extra processing fees.

We encourage thought before giving via credit card. Please do not give what you do not have and incur debt to give via credit card.

We will have **fewer giving options:**

- **General Giving** funds our budgetary needs, including all children's and youth programs and missions. Funds given over and above our budget will be used for projects and facility updates.

- **Fellowship Fund** funds are used to help church and community families in times of financial need. This fund is ONLY funded by direct gifts. General Giving funds are only for CVBC budget expenses.

- **During the year we will add temporary giving options as needed.** This will include Missionary Christmas, Missionary Support (to help with unexpected needs), youth/missions trips, etc. These will be announced on Sundays and be included in church emails.

- **We can give via TEXT.**

To give to our General Giving account just text the dollar amount (\$25) to 84321.

To give to Fellowship Fund text the amount with key word 'fellowship' to 84321. (\$25 fellowship)

To give to multiple accounts text the dollar amount and key word for each account (\$25 general \$25 fellowship) to 84321.

- **Now through November 19, 2023** you can give a gift to our supported missionaries by texting the amount and key word "Christmas" to 84321 (\$25 christmas). We will be sending the financial gifts and signed cards Thanksgiving week.

First time givers will be sent a set-up link to Church Center. Follow the prompts to:

- Find Chippewa Valley Bible Church
- Log in to profile or set one up
- Add payment method
- Submit your donation

Once your account is set up, you can just send the text to give.

Something New

AND there is a CVBC online directory! Just touch the Directory button and take a look. You will be able to decide if you want to participate, how much information you want to be available. Families who are already in the database will see they have been invited to access the directory. New families can request access.

Please contact me if you have any questions.
