Battle Belongs

When all I see is the battle
You see my victory
When all I see is a mountain
You see a mountain moved
And as I walk through the shadow
Your love surrounds me
There's nothing to fear now
For I am safe with You

**So when I fight I'll fight on my knees
With my hands lifted high
O God the battle belongs to You
And every fear I lay at Your feet
I'll sing through the night
O God the battle belongs to You**

And if You are for me
Who can be against me
For Jesus there's nothing
Impossible for You
When all I see are the ashes
You see the beauty
When all I see is a cross
God You see the empty tomb

*An Almighty Fortress You go before us
Nothing can stand against The power of our God
You shine in the shadows You win every battle
Nothing can stand against The power of our God*

O Praise The Name (Anástasis)

I cast my mind to Calvary
Where Jesus bled and died for me
I see His wounds His hands His feet
My Saviour on that cursed tree

His body bound and drenched in tears
They laid Him down in Joseph's tomb
The entrance sealed by heavy stone
Messiah still and all alone

**O praise the Name of the Lord our God
O praise His Name forevermore
For endless days we will sing Your praise
Oh Lord oh Lord our God**

Then on the third at break of dawn
The Son of heaven rose again
O trampled death where is your sting
The angels roar for Christ the King

He shall return in robes of white
The blazing sun shall pierce the night
And I will rise among the saints
My gaze transfixed on Jesus' face

We Believe

In this time of desperation
When all we know is doubt and fear
There is only one foundation
We believe we believe
In this broken generation
When all is dark You help us see
There is only one salvation
We believe we believe

**We believe in God the Father
We believe in Jesus Christ
We believe in the Holy Spirit
And He's given us new life
We believe in the crucifixion
We believe that He conquered death
We believe in the resurrection
And He's coming back again
We believe**

So let our faith be more than anthems
Greater than the songs we sing
In our weakness and temptations
We believe we believe

*Let the lost be found and the dead be raised
In the here and now let love invade
Let the church live loud our God we'll say
We believe we believe
And the gates of hell will not prevail
For the pow'r of God has torn the veil
Now we know Your love will never fail
We believe we believe*
